HR Covered: New Affinity Program Offered Exclusively to Members of the Brockville and District Chamber of Commerce

Dear Members,

We are excited to announce our new partnership with HR Covered, an affinity program exclusively available to members of our Chamber. Small businesses often face challenges in securing affordable HR support, and that's where this partnership steps in to make a difference.

Through this collaboration, HR Covered is offering our Chamber members access to a range of human resource services at no cost. For more details, please refer to the document on page 2.

Soon, you might receive a call or email from the HR Covered team. They will introduce their services and explain how they can offer support to your business.

For a quick overview of the complimentary services available to you through this partnership, please take a moment to watch this [brief 2-minute tour](#) on how to navigate the document library.

As always, the Brockville and District Chamber of Commerce is looking for ways to make your membership more valuable to you. We truly appreciate your membership, support, and trust.
